

1+1 Starting Price: 1,720,000 TL

## Asian City Center Compound in Istanbul HP210

The compound is located in Kadıköy District in Istanbul, which is considered the center of the Asian side of Istanbul. The compound was built near the highway to grant easier travelling experience around the city. It is 5 min away from 2 metro stations and 1 km away from Avrasya tunnel. It is surrounded by shopping malls and several grocery stores and cafes. The compound has various social amities such as security 24/7, indoor and outdoor swimming pools, fitness center, sauna, underground parking lot,.. etc. The compound has 785 residential apartments with areas starting from 64 m<sup>2</sup> to 216 m<sup>2</sup>.
