

Seaview Compound in Istanbul HP235

The compound is located in Büyükçekmece district, Istanbul. This district is on the seashore. The E5 highway passes through it. This mesmerizing location gives you the advantage of having an apartment or a villa with luxury finishing and direct sea view. The compound is at a walking distance from the seashore and has a full sea view with luxurious finishing. It was built on an area of 1,870 m² to provide wide services inside the compound such as underground parking lot, garden, children playground, swimming pool... etc. It consists of 3+1, 4+1, 5+1, and 6+1 apartments, with areas starting from 199 m² to 420 m².

Offer
